CASE # DUTX 2:17-CR-00453-0

FILED IN UNITED STATES DISTRICT
COURT, DISTRICT OF UTAH

AUG 07 2018

D. MARK JONES, CLERK

BY

DEPUTY CLERK

I am incarcerated AT FCI Sheridan Oregon & Debra
is incarcerated at FCI Dublin Calif.

We have been together for 16 years as man & wife
(common law). We live together, our names on bills
together, we file our tax's as married filing jointly ect..

Since ive been here at Sheridan, they will not let me
correspond with her saying that it is against BOP policy
and Oregon State policy because they do not recognize
common law. Even though we are co-defendants and
had permission to correspond while we were in UTAH.

I have explained to caseworker, Unit Manager and CMC
here at prison that we still have business dealing with
Income Tax's, Personal Property, and possible law suites for our
Property that has to be dealt with, even though we are in
prison

over?

And Just To Stay in Contact because we need to Communicate These matters and To Stay in Touch with each other for mutual Support.

Somehow this prison has an incomplete PSI that They say DOES NOT say That we claim to be married but That we are in a relationship.

What I am asking Sir is permission from You to please let me and Debra Communicate with each other so we can Take care of our personal Problems and be able to stay abreast of This incarceration so we don't worry about what's happening with our lives.

We DO NOT Pose any security Threat, We DO NOT pass any information concerning people in our Prisons.

The Mail room screens out going and Incoming Mail The Same with Trulines E-mail. So I guarantee our contact will be personal between Her and I only.

We Both have 5 years left each and I know its incredibly hard not being able to quit worrying how Shes Doing let alone Trying to figure out how to Send our 2017 Tax Statements That needs ~~her~~ her Signature

I have been a model inmate, no write ups no Disphnays Im Taking 3 classes, doing what Im Told To DO

Even if we could correspond for 6 months till we get our business taken care of we would be eternally Grateful Sir

Any help or consideration at all you could provide and I promise IT will not be abused

I don't think its right to be completely taken away from my wife for the reason that we have no Piece of Paper, but we do have 16 yrs of Sharing life as man & wife

Please Respond and Tell me if Theres anything we can do or what

Thank You Sir
Sincerely
Ralph F. Felt

P.S. My Wife also Suffers From Hepatitis 3 its very Debilitating and I worry much

You can check sir, I would not lie to you maybe That would be considered a hardship.
